

**ALLEGIANT ELECTRIC** LLC

## FULL SERVICE COMMERCIAL & RESIDENTIAL ELECTRICIAN

Allegiant Electric is a full-service electrical contractor dedicated to providing high-quality electrical service to the Southern Nevada community.

A family-owned business, Allegiant Electric was founded in 2015 to provide outstanding electrical services in the commercial, industrial, and residential segments.

We built Allegiant Electric's reputation on our commitment to our high-quality service, customer-centric focus, and our solutions' cost-effectiveness.

Our highly-trained team of skilled technicians can bring a full menu of solutions to your home or business. What else can we solve for you?
